1 A. At that -- this was on the phone so it wasn't --  
2 regarding the issue, I think I went down and  
3 talked to Mr. Moran, who was principal at the  
4 time, informed him of my findings in the  
5 investigation, informed him of my conversation  
6 that I had with Ms. Glowacki, informed him of my  
7 conversation I had with Mr. McDowell.

8 Q. Did Mr. Moran instruct you to do anything  
9 further?

10 A. No, he did not. At that point in time I told him  
11 based on -- the understanding is the young man  
12 will have a discussion about the issue, there will  
13 be no further disciplinary action towards Dan, and  
14 that was -- basically at that time I was done.

15 Q. Did you ever receive a referral from  
16 Mr. McDowell?

17 A. I did.

18 Q. Do you remember when you received that?

19 A. I can't remember if it was sitting on my -- I have  
20 an in box, a basket. It may have been sitting  
21 there when I got out of the staff meeting or I  
22 picked it up first thing in the morning when I  
23 came in.

24 Q. Do you know if you instructed Mr. McDowell to  
25 write the referral or if it was --

1 A. Yes, I suggested that he write a referral so I  
2 have -- when I talk to the young man, I have some  
3 direct information of what happened in the  
4 classroom and why he was referred to me.

5 Q. And is that in accordance with a snap suspension,  
6 that a teacher -- it would be appropriate for a  
7 teacher to write out a referral so you would know  
8 what's going on?

9 A. Definitely. Definitely. If a snap suspension --  
10 if you want to call it a snap suspension, that  
11 would warrant communicating to an administrator  
12 why the student was removed from the classroom.

13 Q. Was it you who made the decision that Daniel  
14 Glowacki not be further punished?

15 A. I had a conversation. Based on my conversation  
16 with the student and with Mr. McDowell, I felt  
17 that the consequence was -- you know, if you want  
18 to call it a consequence, being asked to step out  
19 of the classroom was enough, and that the two  
20 would have a conversation regarding the issue.  
21 And when I told that to Mr. Moran, he agreed.

22 Q. Was there ever any discussion about the meeting  
23 between Mr. McDowell and Daniel Glowacki and if  
24 assistant principals would be sitting in on the  
25 meeting or --
